all values and measurements are approximate.

MADE FROM RECYCLED PLASTIC BOTTLES

www.repreve.com

REPREVE is a leading brand of performance fiber made from recycled materials including plastic bottles. Compared to new virgin fiber, REPREVE offsets using new petroleum, emitting fewer greenhouse gases and conserving water and energy.

www.acrycycle.com

Acrycycle is an acrylic fibre made from the recycled manufacturing waste produced during the production of other textiles. Acrycycle is certified and traceable due to RCS certification.
