Application.	Cordoba is hygienic and easily cleanable fabric SUITABLE FOR SEVERE CONTRACT UPHOLSTERY & HEALTHCARE UPHOLSTERY
Maintenance.	General cleaning should involve regular wiping over with a dry or damp cloth, using mild detergent dissolved in warm water. Stains can be removed using bleach or alcohol dilution as per care guide, taking care to remove all residues. Do not use abrasives. For detailed information please see our CARE GUIDE F1 available by request.
Colour matching.	This product is manufactured in batches, in accordance with normal trade practice variations may occur from batch to batch but within commercial tolerances. Samples shown on this card are a guide and current production may differ marginally.
Important.	Please be aware that certain dyes (such as those used in denim jeans) may migrate onto lighter colours. Heat and humidity can also contribute to this phenomenon and is irreversible. We are unable to accept responsibility for dye transfer caused by external contaminants.

all values and measurements are approximate.
