In accordance with normal trade practice batch to batch variations may occur within commercial tolerances. Samples shown on this card are a guide and current production may differ marginally. We reserve the right to alter specifications without notice. FR testing is predictive and customers must ensure their complete furniture meets the necessary standards. All values and measurements are approximate

AQUACLEAN TECHNOLOGY ADVANCED UPHOLSTERY PROTECTION

The **Aquaclean** technology used in this fabric protects against spills and stains without resorting to specialist or chemical cleaning, ‘**simply clean with water**’.

SafeFront protects this fabric against viruses and bacteria by reducing viral activity by over 91% after two hours of continuous contact.

See CARE GUIDE AQ for detailed care & cleaning available online or by request.
